

lm

Lorand Mihaly

Experience

2004-06 -
2007-06

Lliason

Mastri GmbH

First time experience of the professional world by helping out Mastri, a Munich based string instruments company with their dealings in Reghin by setting up contacts, translating, assisting during meetings and some local administration

2007-06 -
2013-09

Work and Travel

Europe

During this period I worked different delivery, install and assembly jobs in countries like Denmark, Norway and Germany and traveled intermittently

2013-09 -
2016-07

Logistics and Freight forwarding

Loxx Pan Europa

Worked at several of Loxx's Stuttgart departments dealing with a variety of tasks from foreign dispatch and planing to customer service. I had the chance to learn a great deal about various logistic and freight forwarding operations

2017-11 -
2019-11

Work and Travel

Australia

I spent two years on a working holiday program gaining useful insights about life and profession in Australia. I had the opportunity to work with various businesses in transportation related fields

Education

2013-09 -
2016-07

"Robert Franck" Vocational School, Ludwigsburg

located in south-west Germany, I attained my diploma here in Logistics and Freight Forwarding and became certified by the German Chamber of Commerce as assistant manager

2003-09 -
2007-06

Secondary School

graduated Math and Informatics in 2007 at "Petru Maior" high school, Reghin, with certification in Informatics

References

- Stefan Nestler, CO @ Mastri GmbH +49 1515 2380 714
"a competent and resourceful person, regardless of the task at hand"
- Andreas Epple, CO and Janina Konczalski, HR Manager @ Loxx Pan Europa +49 7144 9981 113
